The team manager/captain will be the *main* contact for all communication between teams and Aligned Leisure management. It is the responsibility of the team manager/captain to ensure all competition information, rules and regulations, and fixture changes have been communicated to the rest of the team.

Before playing the first game, all players details must be completed on the Player Registration Sheet. To be qualified to play finals, all players must be registered and have played the following:

Scoring (Bench Officials)

Each team must provide one (1) competent, over 18 year old scorer for the Tech Bench. However, it is acceptable for only one team to provide an appropriate scorer if there is an agreement from both teams, but the team without the scorer will incur a two minute (2) penalty at the beginning of the game. If both teams are unable to provide an appropriate scorer, the game will be deemed a forfeit against both teams. If not sure how to complete a score sheet, please see the Front Desk for a 'How-To Guide'.
