Team Registration

When registering a team, a **Team Contact** must be nominated for all Junior teams, and a player must be selected as **Team Captain** for all Senior Teams. The team captain/contact will be the *main* contact for all communication between teams and Aligned Leisure management. It is the responsibility of the team captain/contact to ensure all competition information, rules and regulations, and fixture changes have been communicated to the rest of the team.

Timely registrations will close **Sunday September 23**, which will ensure your team is registered to play from Round 1. **Final registrations** will close Sunday, 4th November. Any registrations after this time will be at the discretion of the Aligned Leisure management.

Player Registration & Qualifications

Before playing the first game, all players details must be completed on the Player Registration Sheet. To be qualified to play finals, all players must be registered and have played a minimum of six (6) games throughout the regular season. A player is deemed to have played a game if he/she has a position assigned to them against their name on the score sheet.

To register a player to appear on the score sheet every week, the following details **MUST** be written in full on the back of the sheet: Full Name, Date of Birth, Postal Address, Postcode, Netball Victoria Membership ID Number, Mobile Number, Email Address. If any details are missing, it will be deemed incomplete and no qualification or registration will be recorded for the new player.

It is the responsibility of the team captain/contact to check the scoresheet at the conclusion of the game to ensure all player information, positions and scores have been recorded correctly.

Please refer to PNA by-laws for further conditions of players across all domestic competitions, including player movement between age groups & divisions and penalties incurred in breach of these conditions.

Netball Victoria Membership & Insurance

It is now a requirement that all registered Netball players must hold a current 2018 Netball Victoria Membership ID (previously VNA). Should you not have a current Netball Victoria Membership, and/or playing as a fill in for a team, Single Game Vouchers (SGV) are available to players who play 'one off' matches. Players can purchase a voucher from the front desk for \$11, and covers you for insurance only for one (1) game. SGV's are to be purchased at the beginning of the game prior to taking the court and be noted on the scoresheet.

Your membership with Netball Victoria, includes your player insurance for the entire season. Any player injured during a game should seek First Aid from the Sports Captain, or another Aligned Leisure staff member, and complete the relevant documentation. Failure to do so, will result in Aligned Leisure management unable to sign off on any insurance claims to be sent to Netball Victoria.

Further information on what is covered, how to make a claim and where to download claim documents can be found here:

Grading

The grading period will last for six (6) weeks at the start of the season. It is at the discretion of the of the PNA and Aligned Leisure management to grade teams in a manner that they feel is appropriate. Scores and points accumulated during grading will be reset to 0, and the official season will begin.

Considerations regarding grading will be made via a grading committee, who will meet throughout the grading period and provide input into the grading process. Grading requests from teams after the team registration will be accepted during allocated special request dates.

If required, an emergency round of grading will be undertaken for the respective competition.

Mixed Netball

Age groups 13 & Under, 15 & Under and 17 & Under are played under Junior Mixed rules, unless registered as part of a 'Girls' competition. In Junior Mixed games, there may be a maximum of two (2) male players on the court at any one time. If two (2) boys are on the court at the one time, they must play in separate thirds of the court.

At Senior Mixed level, there must always be at least two (2) but no more than three (3) male players on the court during play. No more than one (1) male player shall take a position in each third of the court.

Scoring (Bench Officials)

All teams must provide one competent bench official for each game. Umpires may ask a player to sit off if no bench official is provided. However, it is acceptable for only one team to provide a scorer if there is an agreeance from both teams, but the team without the scorer will incur a five (5) goal penalty. If not sure how to complete a score sheet, please see the Sports Captain or the Front Desk for a 'How-To Guide'.

Due to changes to Working with Children legislation, bench officials over the age of 18, officiating a junior competition must be a holder of a valid Working with Children's Check. At this point, bench officials who are parents scoring their child's game are currently exempt from the Act (Please note this may change in the future). All parents are encouraged to obtain a Working with Children's Check to ensure no issues arise with further amendments to legislation and sport organization guidelines.
