

# WATER SAFETY POSTCARD

## Foundation – Level 2

### Connection to Victorian Curriculum:

#### *Critical and Creative Thinking*

Consider ways to express and describe thinking activity, including the expression of feelings about learning, both to others and self (VCCCTM007)

#### *Health and Physical Education*

Identify actions that promote health, safety and wellbeing (VCHPEP062)

Recognise situations and opportunities to promote their own health, safety and wellbeing (VCHPEP074)

**\*Please note, parent help is encouraged for this project! Students may need assistance with understanding some words and information in the video below.**

### Introduction:

Watch the video about Water Safety at home.

'Be Water Smart At Home' by Royal Life Saving Australia -

<https://www.youtube.com/watch?v=FvGV62gXHqY>

### Challenge:

**Your challenge is to make an exciting postcard for your neighbours!  
This postcard will be about staying safe around water at home.**

### Make sure your postcard includes:

- Colours!
- A drawing about being safe around water at home – use ideas from the Water Smart video
- A message to share what helps you feel safe around water

Your postcard design (FRONT)

# Stay Safe Around Water!

Your postcard message (BACK)

Dear neighbour,

Please remember to stay safe and watch around water at home.

I feel safe around water when

---

---

From

---

## **Share your learning!**

Now create your good copy on a new piece of card or paper.

Make sure you add lots of colour and make your drawing beautiful!

You can then share this postcard with your neighbour (just ask your family first!).
